

The Clear Choice... for Healthy Joints

BiovaFlex has been clinically proven to support joint health in these 4 key areas:

Comfort

Reduction in lower back discomfort within 5 days*

Activity

4x increased activity levels and ease of performing daily tasks*

Mobility

Over 15% improvement in range of motion*

Stiffness

5x reduction in stiffness over placebo*

BiovaFlex water-soluble egg membrane (WSEM) is a nutritional ingredient that supports joint health and offers proven elemental building blocks to support essential joint health needs.

Our patented process maintains the natural ratios of nutrients found in egg membrane, and creates a water-soluble, formulation friendly ingredient.

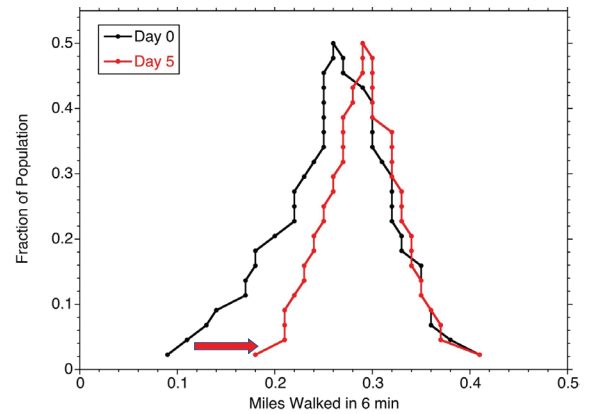

BiovaFlex® Scientific Support

Recently conducted clinical results showed:

- Reduced joint stiffness 5 times more than placebo in 5 days*
- Significantly increased walking distance within 5 days*
- Over a 15% improvement in range of motion (ROM)*
- Improved ease of physical activity of up to 15%*
- Promotes a natural anti-inflammatory response from free radical induced damage to the joints*
- Reduces joint discomfort*
- Reduces back discomfort in just 5 days*

Journal of Medicinal Food, 18 (9) 2015, 1042-1048

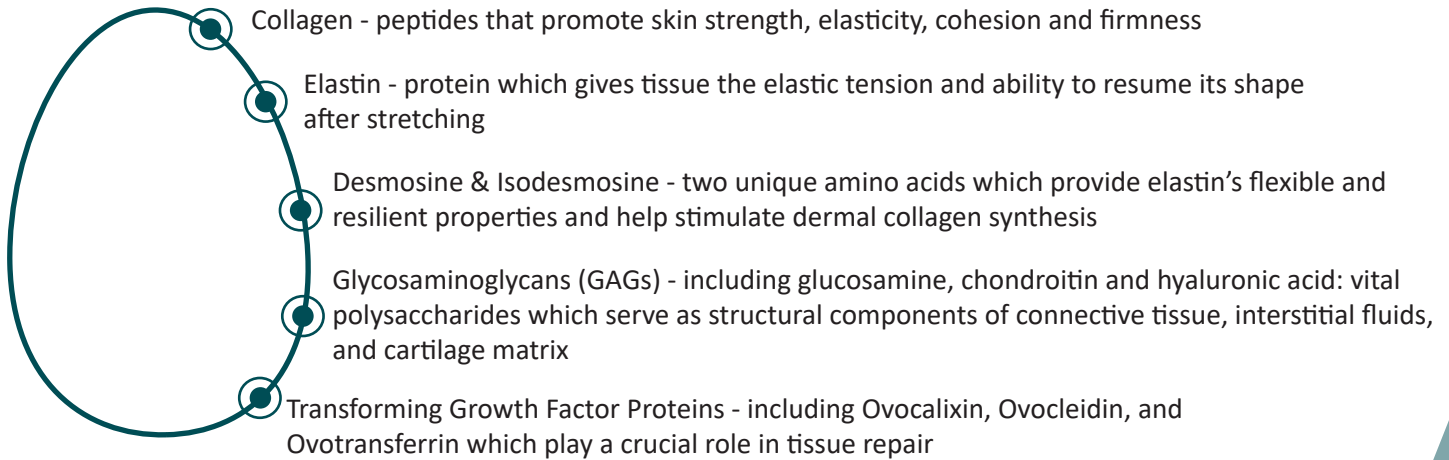

Journal of Medicinal Food, 22 (9) 2019, 875-884

The most compromised subject's performance improved significantly in 5 days

BiovaFlex water-soluble egg membrane (WSEM) provides proven elemental building blocks to support joint health and function.

The Amazing Actives of Egg Membrane

Formulating with BiovaFlex®

BiovaFlex is manufactured using a gentle process to achieve the optimal molecular weight, protein, collagen and elastin levels and to ensure the lowest possible scent, color and ash. All of Biova's ingredients are quality manufactured according to cGMP standards.

BiovaFlex is ideal for nutri-cosmetic ingestible applications:

- Water-soluble for multiple delivery options
 - Tablets
 - Capsules
 - Powders
 - Beverages
 - Gummies/Chews
 - Confectionary
 - Stick Packs
 - Effervescent
- Off-white color
- Very mild flavor
- All natural
- 100% made in the USA

Product Specifications

CAS: 227025-36-6
 Product Source: Egg Membrane
 Molecular weight: ≥3000 kDa
 Form: Sprayed dried powder

Ingredient Profile

Total Protein	≥88%
Collagen	≥15%
Elastin	≥20%
Total GAGs	≥5%
